Shaw, Elvira, Jose and Mirthala,

I forwarded your motion to Grandma's counsel. Once he files Grandma's petition, that your motion to expunge will be moot, so withdraw it the day Grandma's petition is filed.

Your client Elvira still LACKS three signatures for the title contract and deed. You and Elvira going to threaten us again like you did before? Hang us from the highest tree like you told us. Updenegro and drunk ass Glickler aint going to do shit. They BOTH are incompetent, biased, bigots, and should remove their BLACK asses from the bench. You still aint going to get the signatures without Elvira coming to the table to discuss Grandma. Otherwise, NO SALE, PERIOD.

As before, NOTHING sells or moves without MY approval, Elvira pendeja.

See you and your clients soon at jury trial.

Shaw, tell your clients of this email bc I'm speaking to THEM.

Thank you,

/s/Daniel Montes

Shaw,
Set the hearing during a jury week so we can have everything resolved at once before the jury. Your client not ready and needing more time to prepare? Jajaja

Shaw, I want YOU to tell my grandmother that's she is not a beneficiary before a jury. I DARE YOU.

Also, you misrepresented yourself to the court that it's YOUR client that's buying the condo. Carla told us. Also, your client failed to inform the heirs of the sales price.

Yes, you want the name of Grandma's atty. Like I said before I been instructed not to tell you.

See you at jury trial my friend. We will be there.

Thank you,
